

2019 Webinar Programme

Webinar On Applied Intellectual Property

Date: January 31, 2019

Time: 04:00 pm to 05:00 pm IST

About Webinar:

The primary focus of the upcoming webinar would be on different Intellectual Property (IP) domains that include Patent and Design registration, Copyrights, Trademarks, Geographical Indications, Protection of Plant Varieties and Layout Designs for Integrated Circuits etc. The purpose of the webinar is to help inventors, entrepreneurs and applicants to decide the IP field which they should consider to protect their interests. This would help to bring clarity regarding different fields of IP and enable the thought process for rarely exposed fields of IP.
