About the Webinar:

Khurana & Khurana, IIPRD and HLK have put together a comprehensive 1-Hour Session focused on **The Unified Patent Court and Unitary Patent: Practical Tips on managing your Patent Portfolio and deciding on opt-outs**. The Unified Patent Court represent a new era in European patent practice. The Webinar aims to provide an insight on the **UPC**, focusing on:

- **The UPC and UP: Where we are now?**
- **Overview of the Unified Patent Court and Unitary Patent System**
- **Unitary patent validation: what, why, when and how**
- **Opting out: what, why, when and how**
- **Case Studies**

About the Speakers:

Sandeep Basra
Partner HLK

Sandeep joined the Chemistry and Life Sciences team at HLK in 2015 as a German and European patent attorney, having previously worked in a reputable German IP law firm based in Munich. Her scientific background lies in organic, inorganic, organometallic and medical chemistry.

After she obtained a B.Sc. (Hons) from Imperial College, London and a Ph.D. in organometallic chemistry and catalysis from the University of Bristol, she carried out postdoctoral research at the Technical University of Berlin working on the utilisation of ring rearrangement metathesis for natural product synthesis and at the University of Pennsylvania working on small molecule design and synthesis. Her research has yielded many scientific publications and patents. She has also gained industrial experience at BP Exploration, UK and DSM, Netherlands.
